Notice for all 'On-Course' Bookmakers.

'On-Course' Bookmaker Donations to the Responsible Gambling Trust (RGT).

You are reminded that the FRB makes an annual donation to RGT on behalf of all racecourse bookmakers.

The annual donation for 2016/17 has now been made to cover the obligations of all racecourse bookmakers and it is not necessary for racecourse bookmakers to make donations on an individual basis (unless they wish to do so).

When completing your annual return to the Gambling Commission and any forms that you may receive from RGT, when the question arises regarding 'problem gambling charity donations' you just need to state "donated on my behalf by the FRB".

The Gambling Commission and RGT are aware and approve of this arrangement.
