

## Update re Odds Information Agreement: On- Course Bookmakers: RMG Payment via FRB – for period 1<sup>st</sup> April 2018 to 30<sup>th</sup> June 2018.

Re: Bookmakers who have opted to have their RMG payment made via the FRB for data information provided to RMG; according to their attendances at RMG racecourses:

The directors of the FRB are pleased to confirm that the FRB has now received payment from RMG in respect of those bookmakers who have opted to receive their RMG payments as above.

The FRB will therefore be forwarding payments to those **bookmakers who have been confirmed as such by RMG and for whom FRB has received payment from RMG.**

Payments, paid at the FRB stated rate, are being processed and the administrator will endeavour to complete payments (for period 1<sup>st</sup> April 2018 to 30<sup>th</sup> June 2018) by the end of the month; in accordance with the previously stated FRB commitment.

**Please ensure we hold your current bank details to avoid any delay in payment.**

Again, the FRB directors would like to thank you for the patience, co-operation and support you have shown, during the unfortunate but unavoidable delay in forwarding the RMG payment to you; which we reiterate was beyond the FRB's control. We hope the process will run more smoothly going forward.
